

Sensational Labradors – Puppy Deposit

Receipt

Upon sending this deposit of \$300.00 to Jennie Reen for a Sensational Labrador (SL) Puppy born/anticipated in September 2023, I understand that the deposit amount is non-refundable. This holds my reservation place for a puppy, in order of deposits received. Your deposit will hold a pup from the first available litter. When placing a deposit, please specify puppy color and gender. By placing a deposit, you reserve the puppy that you specify on your deposit, although final availability will be confirmed through us after we receive the deposit. Please note that the reason for the non-refundable deposit is to ensure that each pup gets an owner who is seriously committed to buying them. The total cost is \$1600. Any other money received for the pup, except the \$300.00 deposit, is refundable, should for whatever reason the buyer have to back out and not purchase the puppy before the agreed pickup date.

Please notify us how you will be making final payment by 6 ½ weeks of age. Payment for the puppy is due by 7 weeks of age if paying through PayPal (please inquire with us and wait for the request from Paypal if using this option; PayPal fees apply) Paying at the time of pick up is perfectly fine, so long as it is paid in cash. Plans for picking up your puppy need to be arranged with SL before the puppies turn 6 weeks of age. Any puppies not picked up on the scheduled pickup date are subject to a boarding fee of \$35/day. Any puppies not picked up after 9 weeks of age will be resold if there has not been a mutually agreed upon written agreement provided as to the reason for the wait; buyer forfeits their deposit amount and puppy in this situation. Please let us know if there will be a problem with the scheduled pickup date as that time approaches; we are more than happy to work with your schedule. Communication is key and we will work with your schedule to the best that we can. Puppies are sold with limited registration, which means that they are not allowed for some of the shows and are sold without breeding rights. It is our recommendation with all our pups that you have them spayed or neutered at an appropriate age. This deposit and deposit form are subject to the seller's approval; we will send approval, final confirmation, and puppy choice # as soon as we can after receiving this form.
